## Family Day

Parents and children recently turned out to have fun and support the vital clinical research program at Einstein's Children's Evaluation and Rehabilitation Center (CERC) for children with developmental disorders, such as autism, language and learning disabilities and hearing impairments. Events included a Harlem Wizards show, an interactive igloo tent, Broadway Babies, Citibabes activities, magic, arts and crafts, raffles, games, food and more. Dubbed Family Day Winter Carnival, the event was held at Old Oaks Country Club in Purchase. Albert Einstein College of Medicine of Yeshiva University, National Women's Division, Mazur Building, 7th floor, 1300 Morris Park Ave., Bronx.
